Start Your Journey with Semaglutide

Weightloss with Confidence!!

1. Getting Started

Initial Loading Dose

The First 8 Weeks - Your Sample

Schedule: Take once a week, any time, with or without meals.

Injection Sites: Abdomen, thigh, or upper arm. Rotate sites to keep skin healthy.

Loading Dose: Use the prescribed Semaglutide dosage for the first 8 weeks.

18 UNITS

2. Ongoing Success with Semaglutide

Why Continue Your Journey After 8 weeks

Consistency is Key

Maintain the recommended dosage for effective weight loss and a healthier lifestyle.

Continue Your Journey

The initial 8-week sample is just the beginning. Transition to the 12 mg cartridge to keep progressing and seeing results. Always ensure you have enough Semaglutide for your treatment.

Important Note

Always follow your healthcare provider's instructions and contact them if you have any questions.

3. How to Use Semaglutide

1. Getting Ready: Wash your hands well. Gather your Semaglutide cartridge, syringe, alcohol swab, and cotton ball.

2. Clean the Cartridge: Wipe the top of the cartridge with an alcohol swab and let it dry.

3. Prepare the Syringe: Pull the syringe plunger back to your prescribed dose.

4. Insert Needle: Insert the needle into the cartridge and push the air into it.

5. Draw Your Dose: Invert the cartridge and syringe, and draw the following:

18 UNITS

Week 1-4 | Starting Dosage

Draw 18 units of Semaglutide, once a week.

38 UNITS

Week 5-8 | Increase Dosage

Draw 38 units of Semaglutide, once a week.

See example image

6. Remove Air Bubbles: Gently tap the syringe and push the plunger to remove any air bubbles.

7. Prepare the Injection Site: Clean the injection site with an alcohol swab and let it dry.

8. Injecting: Pinch the skin, insert the needle, and inject the medication slowly.

9. Finish Up: Withdraw the needle, apply a cotton ball, and dispose of the syringe safely.

You Are Not Alone!

"Starting something new can be a bit daunting, but remember, you're not alone. We're here to support you every step of the way. You're taking a big step towards a healthier, happier you, and that's something to be proud of! Let's start this journey together with Semaglutide!"
